

# Deck THE Halls

AT OLD RED

November 14, 2009 – January 3, 2010

Join Old Red in sharing the joy of this festive season and celebrate Dallas County traditions.

On view in the Museum's special exhibits gallery are twelve holiday fir trees, each decorated by the volunteers and staff of a Dallas County non-profit organization to illustrate holiday traditions in Dallas.

Visitors may "vote" for their favorite tree by dropping their donations in the box located near each tree. At the exhibit's close, the tree with the most donations will be declared the winner.

Help support the Old Red Museum and these local charities with the giving spirit of this wonderful time of year.
